

This matter was opened to the New State Board of Pharmacy (Board) upon the receipt of information from the Middle Township Municipal Court Prosecutor, Mary D'Arcy Bittner, Esq. Respondent was charged with speeding in Middle Township, N.J. on October 24, 2005. The respondent, in order to bolster his defense of a broken speedometer, presented to the prosecutor a signed invoice totaling \$440.41 from Off Shore Getty, Inc. dated October 26, 2005. Ms. Bittner called the mechanic to confirm that the speedometer had in fact been broken. Ms. Bittner spoke to the signatory on the

invoice who distinctly remembered Mr. Bassiouni because "he was extremely rude." The mechanic told Ms. Bittner that he did nothing to the speedometer and sent by way of facsimile to her a copy of the actual invoice. Thereafter, respondent admitted to altering the invoice.

The Board, finding that the above-described conduct evidences dishonesty, one of the essential components to be considered when evaluating an applicant for licensure, has determined to issue the following Order which sets forth requirements the respondent must satisfy before the Board will consider further whether respondent should be provided the privilege of licensure in this State. Respondent has agreed to the deferral of further consideration of his application for licensure until he has complied with this Order.

IT IS THEREFORE ON THIS 25th DAY OF OCTOBER 2006,

ORDERED AND AGREED:

1. Respondent shall provide an in-depth psychological evaluation, from a Board approved psychologist or psychiatrist licensed and in good standing in this State that is satisfactory to the Board such that the Board can be assured that respondent's action of attempting to perpetrate a fraud upon the Court was nothing more than a mere aberration.

2. Respondent shall fully attend and successfully complete an intense and in-depth course in the area of professional ethics that has been preapproved by the Board and shall provide

from the sponsor an evaluation of respondent's attendance,
passage and knowledge gained from that Board approved course.
